Proposed Consent Decree, Clean Air Act Citizen Suit

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed consent decree; request for public comment.

SUMMARY: In accordance with the Clean Air Act, as amended (CAA or the Act), notice is given of a proposed consent decree in *Center for Biological Diversity, et al. v. Regan*, No. 3:22-cv-01855-WHO (N.D. Cal.). On March 24, 2022, Plaintiffs Center for Biological Diversity, Center for Environmental Health, Environmental Integrity Project, and WildEarth Guardians filed a complaint in the United States District Court for the Northern District of California. Plaintiffs alleged that the Environmental Protection Agency (EPA or the Agency) failed to perform certain non-discretionary duties in accordance with the Act to timely determine the attainment status of certain areas with respect to the 2008 ozone National Ambient Air Quality Standards (2008 Ozone NAAQS). The proposed consent decree would establish deadlines for EPA to sign notices of final action.

DATES: Written comments on the proposed consent decree must be received by **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-OGC-2022-0627, online at <https://www.regulations.gov> (EPA's preferred method). Follow the online instructions for submitting comments.

II. Additional Information about the Proposed Consent Decree

The proposed consent decree would establish deadlines for EPA to take action pursuant to CAA sections 107(d), 179(c)(1), 181(b)(2)(A), 179(c)(2), and 181(b)(2)(B) to sign notices of final action determining whether certain areas attained the 2008 NAAQS by the attainment date, in this case, July 20, 2021. First, on April 13, 2022, EPA published a proposed rulemaking that proposes to determine that Chicago-Naperville, Illinois-Indiana-Wisconsin; Dallas-Fort Worth, Texas; Houston-Galveston-Brazoria, Texas; New York-North New Jersey-Long Island, New

York-New Jersey-Connecticut; and Denver-Boulder-Greeley-Ft. Collins-Loveland, Colorado failed to attain the 2008 Ozone NAAQS by July 20, 2021 and that Greater Connecticut, Connecticut attained the 2008 Ozone NAAQS by July 20, 2021; all of these areas had been classified as Serious nonattainment for the 2008 Ozone NAAQS (87 FR 21825). The proposed consent decree would require EPA to sign a final rule on these areas¹ by September 15, 2022.

Second, on July 14, 2022, EPA published a proposed rulemaking that proposes to determine that the Nevada County (Western part) and Ventura County areas in California, both classified as Serious for the 2008 Ozone NAAQS, attained the 2008 Ozone NAAQS by the July 20, 2021 attainment date. (87 FR 42126). The proposed consent decree would require EPA to sign a final rule on these two California areas by December 16, 2022.

In accordance with section 113(g) of the CAA, for a period of thirty (30) days following the date of publication of this document, the Agency will accept written comments relating to the proposed consent decree. EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act.

III. Additional Information about Commenting on the Proposed Consent Decree

Submit your comments, identified by Docket ID No. EPA-HQ-OGC-2022-0627, via <https://www.regulations.gov>. Once submitted, comments cannot be edited or removed from this docket. EPA may publish any comment received to its public docket. Do not submit to EPA's docket at <https://www.regulations.gov> any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish

¹ With the exception of Chicago-Naperville, Illinois-Indiana-Wisconsin, which EPA determined attained the 2008 Ozone NAAQS in three separate final rules (87 FR 21027, April 11, 2022; 87 FR 30821 and 30828, May 20, 2022), rendering this claim moot.

to make. EPA will generally not consider comments or comment contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>. For additional information about submitting information identified as CBI, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this document. Note that written comments containing CBI and submitted by mail may be delayed and deliveries or couriers will be received by scheduled appointment only.

If you submit an electronic comment, EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of your comment. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Use of the <https://www.regulations.gov> website to submit comments to EPA electronically is EPA's preferred method for receiving comments. The electronic public docket system is an "anonymous access" system, which means EPA will not know your identity, e-mail address, or other contact information unless you provide it in the body of your comment.

Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments.

Gautam Srinivasan,

Associate General Counsel.
